

# GENERAL ENGLISH COURSES

CRICOS Course Code: 097129C

**LANGUAGE LINKS**  
International

READING / WRITING / LISTENING / SPEAKING & PRONUNCIATION / GRAMMAR & VOCABULARY

## LANGUAGE LINKS offers General English courses with a focus on the English that you need to survive in the 'real world'

Choose a General English course at Language Links to improve your English for employment, to prepare for entry into Higher Education, for travel or just because you enjoy learning English!

Receive individual attention from your teacher. Practical activities are used throughout the course to give you the opportunity to experience the language by participating in 'real world' situations.

### > Our General English courses are offered at all levels and run all year through

- Beginner / Elementary
- Pre - Intermediate
- Intermediate
